KEY THINGS TO REMEMBER

TRANSPORTATION

Please note that only group transfers with other guests from the programme will be provided. We are aware that this can lead to short waiting times, so we appreciate your patience. However, our team will do everything they can to ensure this process is as seamless as possible for all guests.

Any transfers outside of the pre-arranged transport will need to be managed on your own behalf.

For your departure, please align with your dedicated Hublot Market Host on the day prior to checking-out. They will inform you about your departure time from the hotel, but please note that this timing is set by our team and is non-negotiable.

Please email the Hublot Hospitality Team at hublot@octagon.com, with your dedicated Hublot Market Host in copy, if you have any additional questions.

MATCH DAY

We suggest downloading the UEFA Mobile Tickets app ([iOS](#) or [Android](#)) before you travel and registering using the same email address you provided on the GMS portal.

Tickets will be distributed digitally on match day by your dedicated Hublot Market Host via the official UEFA Mobile Tickets app. For a complete list of the match schedule, please click [here](#).

Please remember that only small bags and no large cameras are allowed inside stadiums.

PERSONAL LUGGAGE

It is important to know that your larger luggage items won't be accessible upon arrival into Berlin, so it is recommended that you prepare a smaller backpack or carry-on luggage for this day.

Your larger luggage will need to be dropped at the Hublot Hospitality Desk located in the lobby before checking-out in Munich. Please note, it will be delivered to your room when you arrive at the hotel after the match in Berlin.

Remember, due to airport regulations, your smaller backpack or carry-on luggage must not exceed 8kg per person and all liquids must be under 100ml and kept in a single plastic bag.
