

Argus PT Ultra

First-Ever 4K Pan-Tilt Battery/Solar Camera with Smart Detection

4K

4K UHD

Get the best view of your property with stunning 4K clarity

Smart Detection

Distinguish people, vehicles, and pets from other trivial things

Pan & Tilt

Pan 355° and tilt 140° to cover more corners

Battery/Solar Powered

Works where power cables and outlets cannot reach

Dual-Band WiFi

Supports 5/2.4 GHz WiFi for a smoother live view and playback

Color Night Vision

See clear details in full color even at night with spotlights

Two-Way Audio

Real-time communication with built-in mic & speaker

Time Lapse

Condense a day into minutes and share the fun with friends

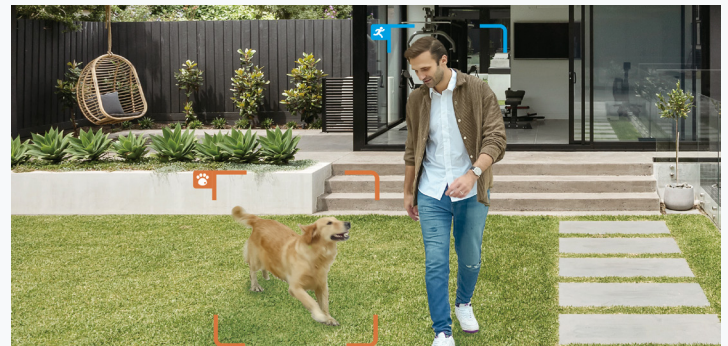

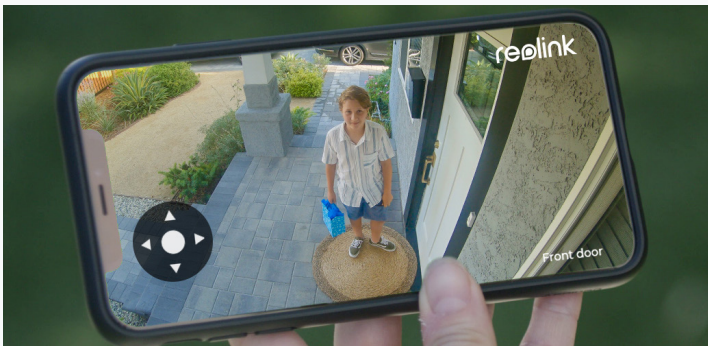

Remote Access

Check your property anytime anywhere via App/Client

4K Meets Battery

Solar/battery powered cameras now feature 4K clarity. Experience true-to-life visuals with sharper images in picture-perfect details.

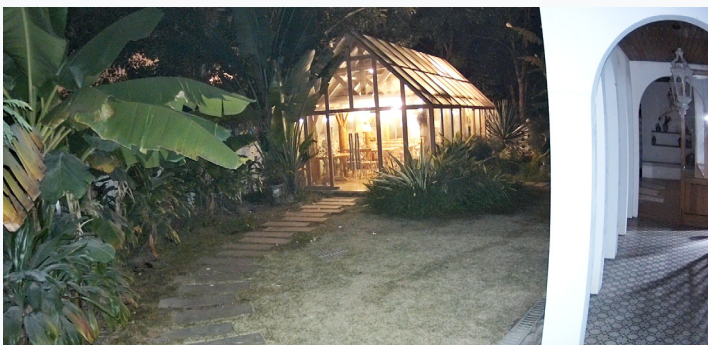

Pan-Tilt to Cover More

The camera can pan 355° and tilt 140° to sweep off blind spots. Get a more complete view for all-around surveillance

Get Alerts that Matter

Get alerts just for things you care about, like people, vehicles, and pets. No more distractions like waving branches

Colorful Images Even at Night

The built-in spotlights allow for vivid details in full color even in darkness. Easily tell who's on your property day or night

Flexible WiFi Options

The camera runs on both 5 and 2.4 GHz WiFi bands for a smoother live view and playback with a lot less latency
